There's lots of excitement in the Big Forest because of the first annual Big Forest Creative Arts Festival and Extravaganza! All the animals are planning to enter the festival's contest. The only rule is that the entrants showcase their creativity in some way. The most creative will take the blue ribbon and first place. Petey Squirrel wants badly to win the blue ribbon, but he doesn't know what to do for the contest—he isn't even sure if he has any creativity at all!

Come along on Petey's exciting adventure as he searches high and low for his creativity and inspiration. When Petey is given a special acorn with secret powers by Wise Old Owl, the little squirrel believes he is sure to win the contest. That is until his cousin Santos eats the special acorn!
